Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of

information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the CDC Reports Clearance Office on (404) 639-7090. Send written comments to CDC, Desk Officer, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503. Written comments should be received within 30 days of this notice.

The following requests have been submitted for review since the last publication date on July 18, 1996.

Proposed Project

1. Monthly Vital Statistics Report—(0920-0213)—Extension—The compilation of national vital statistics dates back to the beginning of this century and has been conducted since 1960 by the Division of Vital Statistics of the National Center for Health Statistics, CDC. The collection of the data is authorized by 42 U.S.C. 242k. The Monthly Vital Statistics Report provides estimates of monthly occurrences of births, deaths, infant deaths, marriages, and divorces following the end of each month. Similar data have been published since 1937, and are the sole source of these data at the national level. The data are widely used by the Department of Health and Human Services and by other government, academic, and private research organizations in tracking changes in trends of vital events. The data are essential to the U. S. Bureau of the Census as input to their various population estimates. They are also used each month by the Bureau of Economic Analysis, Department of Commerce, to extrapolate an element of the Gross National Product.

Respondents for the Monthly Vital Statistics Report and the Monthly Report on Marriages, Divorces and Annulments are registration officials in each state, the District of Columbia, and New York City. Respondents for the Monthly Marriage and Divorce Statistical Report forms are 60 local (county) officials in New Mexico who record marriages occurring and divorces and annulments granted in each county of New Mexico. There are no direct costs to respondents; the data are routinely available in each reporting office as a by-product of ongoing activities.
